

Plymouth Community School Corporation  
**Home-School Agreement**

**Mission Statement**

*The mission of the Plymouth Community School Corporation, in partnership with the family and the entire community, is to provide a vital, nurturing, and challenging educational environment that prepares all individuals, through expression of their unique talents and abilities, to become responsible, contributing members of a diverse global society.*

The home and school are partners in achieving a most important goal: an appropriate education for all children. As we form this partnership, we share the following commitments:

**School personnel** will encourage and support student learning in this school by the following:

- Demonstrate care and concern for each student
- Provide quality teaching and leadership by modeling appropriate behaviors, providing a safe environment, and making efficient use of academic learning time.
- Supply parents with regular and accurate assessments of students' progress in meeting school achievement and performance requirements, with special assistance when needed.
- Welcome the participation of parents in achieving desired educational goals.

**Parents/Guardians** will support and encourage learning by doing the following:

- Instill a positive attitude about school so child attends school regularly and on time, is prepared, and is an active participant.
- Provide proper nutrition, appropriate bed times, regular homework time and setting, and opportunities to show responsibility for chores.
- Oversee completion of school assignments and encourage child's effort to improve and do good work.
- Attend parent conferences and continue to communicate with the school about child's academic and social progress.
- Discuss report cards, behavior reports, school rules and procedures with child showing support for the child as well as support for the school.

**Students** in this school will be active partners in their own learning by doing the following:

- Attend school regularly, without tardiness.
- Be responsible for keeping learning materials available and organized.
- Complete assignments with care and accuracy.
- Follow school rules.
- Be truthful, courteous, and cooperative.
