

Hello:

The Plymouth Athletic Booster Club and Plymouth Community School Athletes have completed another successful year. The PABC would like to **thank our members for their support**. The PABC knows that without our members we could not achieve our goals:

To support, promote, and maintain a high standard of integrity and good sportsmanship in all athletic activities of the Plymouth Community Schools. To foster and promote good will and fraternal spirit, and encourage better attendance to all sports activities by the students and parents, friends of athletes, and faculty of Plymouth Community Schools. To promote and encourage more young men and women to get involved in athletics, either as an active participant or as a spectator. To assist in holding down expenses to the athletic department.

During the 2015 / 2016 school year your support helped PABC and athletics provide:

All Sports Passes (except: varsity football, boys varsity, tournaments, and any summer events) for all PHS students - discount cards to local merchants: fall, winter, and spring teams' introduction / photo nights, quality printed programs that promote all teams at no charge to attendees; provide and update the sports accomplishment banners that hang in the school gym; recognized twenty PHS Athletic Scholars with scholarships along with two Athletic Scholars of the Year with scholarships; provided the athletic departments of PHS, LJH and Riverside with monitory donations to help off-set their expenses. These are just a few things PABC worked on this past year to help Plymouth Community School athletics.

The PABC has already been working on the upcoming year and is asking for your support. It is time to renew your membership or become a new member for the 2016/2017 school year. Please, complete the enclosed form and **return to PABC by July 22, 2016** so we can have membership cards to our members by the start of this fall season. If you have any questions, please call Janis Holiday, Membership Chairman at 780-2725.

The PABC will continue our agreement with Lincoln Jr. High School and with Riverside Intermediate School. Riverside students will be admitted without charge to all Riverside home events, Lincoln Jr. High Students will be admitted without charge to all Lincoln home events and all PHS students will be admitted without charge to all PHS home events (except boys varsity football, boys varsity basketball, tournament, special events and summer events) **All PABC adult members holding an ALL SPORTS PASS, will be admitted without charge to Riverside, LJHS, and PHS athletic events (per the agreement on the pass).** To qualify for this benefit, adults must join the Plymouth Athletic Booster Club at the \$60.00 level (\$50 for senior citizens) or higher. Please return your completed PABC member application with payment according to what best suits your needs.

Thank you,
