Good morning, PHS! It's time for some good news! I am Aimee Portteus, director of guidance and I am thrilled to be with you today. Class of 2020, we know this is not how you would have written your senior year, but today is all about celebrating you! PHS wishes to thank each and every one of you for being a part of our story. For showing up, working hard, and making us proud each and every day. For playing, laughing, crying, dancing, and celebrating with us in so many ways for so many years. There is always good in the world, PHS, and you are a big part of that. So today, thank you for joining us for Plymouth High School's senior awards program 2020 -- truly unlike any other... As I said, I'm here simply to kick this party off right. Cue the awards...
